

LED TAIL LIGHT USAGE INSTRUCTIONS

1. The Zéfal LED Tail Light is water-resistant. Although the light body is water-resistant (under normal weather conditions of rain, etc.) never intentionally submerge it under water.
2. If the light body or parts become dirty or have been exposed to any contaminants or dirt, gently clean with soft towel using mild soap and water only. Never use harsh chemicals to clean the lighting system as damage to the housing and lens will occur.
3. Safely and properly dispose of the old batteries according to your local regulations.
4. Never place this lighting system within a child's reach.
5. For ultimate safety, the Zéfal LED Tail Light should be used in conjunction with reflectors, and possible additional front lighting deemed necessary.
6. Always wear an approved bicycle helmet, when riding.
7. Riding a bicycle at night is dangerous and could result in injury or possible death.
